

## Quotation Request from Mr. Lui & James Ng

### Details:

- Call for quotation from both James for the application of "Section 16" and land Survey. He advised that we have to perform the land survey as our building plan do not show the coordinate. He will deliver the quotation next week.
- Requested Mr. Lui to make a general quotation for construction of 700ft summer house and a squatter. He will the quotation next week.

All other jobs will be finished after my examination (20-05-2010)

### To do list:

- Enquiry of the legal process for developing a 骨灰堂 by changing land use from green belt and village. Try to seek advices from government and get some contact of professional consultants in related field.
